KEY

- ✓ FITS FLUSH — Sits flush / fits flush as specified.
- ✗ NO FITMENT — Component does not fit.
- P NOT FLUSH — Fits, but sits past the dust cover.
- – NOT SPECIFIED — Source document did not list a value for this combination.

Source cheat sheet lists only four values for the "Echelon w/ Magwell" row against six columns. The four given values have been mapped to the magazine columns (15rd / 18rd / 17rd Full / 21rd); the two slide columns are marked "not specified." Worth confirming the intended mapping with the team.
